

Food Vendor Application

The Arts & Humanities Council of SWLA is again partnering with the City of Lake Charles to bring back the wildly popular Live @ the Lakefront music festival! Live @ the Lakefront will showcase both local and headliner bands, a food truck market, and artist booths to create a full- fledged music festival on the shores of Lake Charles. We invite you to join us and take this opportunity to promote and sell food that is representative of your restaurant.

Live @ the Lakefront will take place on three consecutive Fridays, **March 17th, 24th, and 31st** from 5:30-10PM at the Arcade Amphitheatre. **The fee is \$300 total for all three nights, and vendors keep 100% of the profits sold. There will be no refunds for inclement weather. Due to space limitations, we are limiting the food area to 10 vendors.** Payment by PayPal is available @artscouncilswla.

We are only inviting ten food vendors to set up, so you can capitalize on each week's anticipated audience in the thousands. **You may not sell beverages of any kind.** Vendors are responsible for providing all necessary equipment, and should expect to start selling food by 6PM, with set-up beginning at 2PM. While participants eat at their own risk, vendors are responsible for upholding all state and regional codes and health regulations.

Please complete this form to the Arts Council office to reserve your spot today. Deadline is Friday, March 3rd, 2023 *We are located in a temporary office*
